Cash audit eco e.V. – financial year 2022

Dear Mr. Summa,

I conducted the cash audit of eco - Verband der Internetwirtschaft e.V. for the 2022 financial year earlier this month.

The bookkeeping was checked by myself. It complies with the principles of proper accounting of non-profit associations of persons. Revenues and expenses were examined on a random basis and were found properly recorded as well as in accordance with the cause. The corresponding documents are available at the Cologne office.

I recommend that the actions of the board and the management of eco e.V. be formally approved.

Kind regards,

Thomas Rickert
