Links to social media profiles:

**Rationale for nomination:** For what reason are you nominating yourself or a female specialist or executive for the eco://awards in the category #LiT - Ladies in Tech? (brief rationale, max. 750 characters, incl. spaces)

**Visibility:** To what extent is the female specialist or executive visible in relation to the topic of “Women in Tech”? (e.g., via social media use and visibility, interviews, guest in podcasts, activity as an author or speaker)  
(brief rationale, max. 750 characters, incl. spaces)

**Empowerment:** Where and how does the female specialist or executive advocate for other women? (e.g., in the form of mentoring/coaching, activities in women's networks, promotion of young talent, digital education, networking of women in tech)?  
(brief rationale, max. 750 characters, incl. spaces)

**Digitalisation/tech/IT:** What expertise in the field of digitalisation/tech/IT does the female specialist or executive possess? To what extent is she a driver of digital transformation? (brief rationale, max. 750 characters, incl. spaces)

I hereby accept the conditions of participation of the eco://awards 2021.

**Closing date**

Please submit the fully completed nomination form – with the (ticked) conditions of participation – by **30 August 2021, 12:00 (CET)** to: **lit@eco.de**
